Mountain Home, Idaho

Dear MR. BAY

I find that it is going to be necessary in some manner or other to get the name on the death certificate for Mr. Knight changed. I didn't notice until I got home that the name on the certificate was FILBERT it should have been Filmer A, Knight. It will be impossible for me to get the $100.00 from the government until his name is at least corrected.

I am enclosing one of our certificates properly ~~made out so~~ you can coppy it off on one of yours and it may be easier to get this changed before the registrarhas sent it into the state than afterwards.

We will also probably have to change the name on the shipping papers providing however you have not all ready sent in your portion of it.

If my suggested method of procedure in the above is out of order let me know and we will get it done in the manner that you suggest.

Yours Very Truly
Joe. W. Laughlin

Gentlemen:

Am returning certified copy of death certificate of Everett Bickers for correction.

At the time the original certificate was made out Very little information was to be found. We have just found from the post office department that the correct date of birth is October 12, 1892, making him 46 years 2 months and 2 days old.

We are trying to get the funeral allowance from the government and would like to have the information filed as nearly correct as possible.

Yours very truly,

Cassedy Funeral Home,

Last year, Adrian TOM was reported dead on Dec. 28, 1939 in error, and a death certificate was executed in his name. At this time, it is learned that the parent had reported the wrong child dead. The report should have been for Wilford TOM. Adrian TOM is still alive. In order to clarify matters, and to set the records aright, please substitute the inclosed death record of Wilford TOM for the one of Adrian TOM, and destroy the death record of Adrian TOM.

Colin H. Ward
Salmon, Idaho

Dear Mr. Ward:

I took care of Elise Hern for several years prior to death. She had a malignant growth removed. I last saw her in December 1937. She returned to Bibbonville, Idaho. Her husband informed me later that she died on Jan. 2", 1940.

I did not sign the death certificate and do not know who did. It must be on file in Idaho, at the State registrar of Births and Deaths.

She left our hospital in the last stages of cancer of the uterus and could not have lived many weeks.

Yours very truly,

Herbert Hayward M.D.
